

Snowballs

1/2 C. butter

1 C. sugar

1 egg

1 C. chopped dates

2 C. Rice Krispies

1/2 C. chopped nuts

1/2 teaspoon vanilla

shredded coconut

Cook together the butter, sugar, egg and chopped dates over medium high heat. Stir constantly for about 10 minutes. You can let this cool a bit before adding the Rice Krispies, nuts and vanilla (I don't usually). Make small balls and roll in coconut. Chill.

Makes 4 dozen cookies.
